SCHOOL PROFILE

WES'SUP is an **advanced school of commerce, administration and management** offering programmes ranging from BTS certificates to MBAs, in fields such as international commerce, communication, tourism, human resources and management.

Drawing on a dynamic faculty comprised of teaching professionals, experts and corporate leaders, WES'SUP provides its students with **courses that blend theory, practice and academic excellence**.

The students' employability is positioned at the heart of the school's DNA thanks to **full immersion periods in a company** (internships, work-study programmes, project management). This serves as an opportunity for the students to face field realities and **to develop their professional skills**.

WES'SUP is committed to supporting its students throughout their training period and particularly when searching for a company, through the counsellors at their disposal and partnerships established with companies in the Auvergne Rhône-Alpes region.

Lastly, the outreach of WES'SUP is driven by many foreign students, **a multicultural environment** and multiple **international partnerships** at a campus located near Geneva.

The FEDE is an INGO International Non-Governmental Organisation and a supranational institution that was created in 1963, which is endowed with participatory status with the Council of Europe.

It federates an international network comprised of over 500 higher and professional education institutions in 35 countries across 4 continents, which share a common project that is hinged on academic excellence, pedagogical innovation, scientific research and openness to the world.

The FEDE delivers 90 European degrees that are available in English and in the national language, from the Foundation Degree, the European Bachelor's Degree, the European Master's Degree to the DBA Doctorate of Business Administration. The FEDE counts an international network of over 180,000 alumni.
